

## Peugeot Golf Guide (17/20)

The european wide renowned Peugeot Golf Guide has published its new 2006/2007 edition. The guide which was established in 1995 has awarded Club de Golf Alcanada with 17 out of 20 quality points.

Beside the overall quality of the course, the Peugeot team also evaluated the club house and practice facility with additional 8 out of 10 points.

Apart from the evaluation, the guide also gives a lot of useful additional information to its reader. Telephone and Fax numbers, Greenfee prices, a general description of the course and also a map showing how to get to the course, all form part of the extensive information for each of the 1000 courses covered in the guide.

The team of the Club de Golf Alcanada is proud to be in the top 10 list in Spain and thus in the top 100 of Europe and been named next to famous courses like Valderama, Puerta de Hierro, San Roque and Sotogrande.
