

Terms and Conditions – Club de Golf Alcanada

When reserving a tee time at the Club de Golf Alcanada, the players accept the following terms and conditions:

1. Club de Golf Alcanada has a handicap limit of max. 35 for ladies and 33 for gentlemen. It is required to show a handicap certificate when checking in at the golf course.
2. To confirm a booking, the course requires a valid credit card number from the person making the booking. The card is used as a guarantee and will only be charged in case of “no show” or late cancelation (See point 3).
3. Until 48 hours prior to the tee time, cancelations can be made without charge. Within 48 hours prior to the playing time, 50% of the total greenfee will be charged to the credit card. In case of “no show” 100% of the greenfee will be charged to the credit card. (For terms and conditions of parties bigger than 10 players, please contact the reservation department of the club)
4. To guarantee smooth organisation for all golfers, Club de Golf Alcanada recommends, that all players should check in at the pro shop no later than 30 minutes before their tee time. It is advisable that the players are adjacent to the first tee at least 10 minutes before the tee time. As tee 1 is very close to the driving range, it is advisable, that players should notify the starter that they are here before warming up. This is helpful in case tee times are running early or late.
5. Club de Golf Alcanada reserves the right to pair up players to flights of a maximum of 4 persons.
6. Pace of play. Club de Golf Alcanada has a maximum time target of 4 hours 30 minutes for 18 holes for a 4 ball. To ensure this is possible it has established 12 minute intervals between tee times in 2007.
7. Basic knowledge of rules and etiquette is required. Golf shoes with soft spikes and a proper golf attire is also required to play the course (See FAQ and Dress Code on the Web Page).
8. All players must at any time follow the advice of the Club de Golf Alcanada staff (especially from the Starter and Marshal). Every player is responsible and liable for any damage he/ she is causing (this applies also to the usage of electric trolleys, electric golf carts and rental clubs).
9. The official rates are subject to change and can be found on the web page of the Club de Golf Alcanada under “prices”.
10. In case of special works being carried out on or around the golf course (i.e. aerifying or sanding of the greens) the course will normally offer a reduction on the official green fee price (no reduction on already reduced rates or promotional rates). The official dates for aerifying the greens you will find on the web page under “Events & News” / “News”. Works like sanding or verticutting of different areas of the course are not planned ahead and are considered routine works, therefore the players will only be advised upon checking in at the course. No reduced rates will apply when routine works are carried out.
11. In case of course closure due to e.g. severe weather, Club de Golf Alcanada will offer the players a “rain check” for 9 or 18 holes depending on how many holes have already been played.
