

## Course Ranking 2006

Every year the german "Golf Journal" launches an online survey, where the readers can vote for their preferred golf destination, golf hotel, golf course etc.

Since opening Club de Golf Alcanada in October 2003, the "Golf Journal" readers have voted the course into the Top Ten of courses in Europe. (7<sup>th</sup> in 2004, 7<sup>th</sup> in 2005).

In the March 2007 issue, the results of the new survey have been published and Alcanada now ranks 4<sup>th</sup> in the list of the preferred golf courses in Europe.

We are very proud about this result and promise continuous improvement of the course, the general installations and services for our guests.
